

STATIONERY:

noun: writing and other office materials.

STATIONERY AMNESTY:

When staff are invited to redistribute their surplus stationery to those who need it across the organisation.

This saves money, prevents items going to landfill and frees up space.

You can hold an amnesty every few months, or once a year.

You'll be amazed at how much stuff is returned!

The amnesty could last for 1 - 14 days.

See overleaf for how to organise your Stationery Amnesty.

By putting our stationery back into circulation we reduce the carbon emissions associated with the manufacture, delivery and disposal of unnecessary stationery purchases
